Brian David Hill
Defendant

Motion To Suppress Confession

I, Brian David Hill respectfully and humbly ask the court for a hearing to introduce witnesses and evidence as to why the court should move to suppress the confession to detectives Robert Bridge and Todd Brim. The evidence and witnesses will be submitted and addressed by the new court appointed attorney that the court orders. The hearing is to determine the inadmissibility of the confession in the Mayodan Police Department.

This I request the court.

Respectfully Submitted
